

Data protection - General information and mandatory information

The responsible body decides alone or together with others about the purposes and means of processing personal data (e.g. names, contact details, etc.).

Revocation of your consent to data processing

Some data processing operations are only possible with your express consent. You can withdraw your consent at any time. An informal notification by email is sufficient for the revocation. The legality of the data processing carried out before the revocation remains unaffected by the revocation.

Right to lodge a complaint with the competent supervisory authority

As the person concerned, you have the right to lodge a complaint with the responsible supervisory authority in the event of a breach of data protection law. The responsible supervisory authority for data protection issues is the state data protection officer of the federal state in which our company is based. The following link provides a list of data protection officers and their contact details:

Right to data portability

You have the right to have data that we process automatically based on your consent or in fulfillment of a contract handed over to you or to third parties. It is provided in a machine-readable format. If you request the direct transfer of the data to another person responsible, this will only take place if it is technically feasible.

Right to information, correction, blocking, deletion

You have the right to free information about your stored personal data, origin of the data, its recipient and the purpose of the data processing and, if necessary, the right to correction, blocking or deletion of this data at any time within the scope of the applicable legal provisions. You can contact us at any time using the contact options listed in the legal notice in this regard and for further questions on the subject of personal data.

SSL or TLS encryption

For security reasons and to protect the transmission of confidential content that you send to us as the site operator, our website uses SSL or TLS encryption. This means that data that you transmit via this website cannot be read by third parties. You can recognize an encrypted connection by the "https: //" address line of your browser and by the lock symbol in the browser line.

Google Web Fonts

Our website uses web fonts from Google. The provider is Google Inc., 1600 Amphitheater Parkway, Mountain View, CA 94043, USA.

Through the use of these web fonts, it will be possible for you to present the presentation of our website that you want, regardless of which fonts are available locally. This is done by accessing the Google Web Fonts from a Google server in the USA and the associated transfer of your data to Google. This is your IP address and which page you have visited. Google Web Fonts are used on the basis of Art. 6 Para. 1 lit. f GDPR. As the operator of this website, we have a legitimate interest in the optimal presentation and transmission of our website.

The company Google is certified for the US-European data protection convention "Privacy Shield". This data protection agreement is intended to ensure compliance with the data protection level applicable in the EU.
